

PRACTICAL INFORMATION

to prepare your travel to Hamburg for the PCNE Working Conference 2027

LOCATION

Hamburg is a large, cosmopolitan city in northern Europe. It has an international flair, and water is always nearby—whether at the harbour, the Alster lakes, or one of the city’s many canals.

How to GET TO HAMBURG by car, train, plane and bus: <https://www.hamburg-travel.com/discover-hamburg/information/arrival/>

Arriving at the AIRPORT

If you are arriving by air, take the **S1 train** to Wedel, then transfer to **bus 189**. Get off at “Bei der Doppeleiche” for the hotel or “Willkomm Höft” for the conference venue. This journey takes about 90 minutes.

Arriving at Hamburg Central Station (Hauptbahnhof)

Take the **S1 train** to Wedel, then transfer to **bus 189**. Get off at “Bei der Doppeleiche” for the hotel or “Willkomm Höft” for the conference venue. This journey takes about an hour.

VENUE

The conference will take place at the **Schulauer Fährhaus** (Parnaßstraße 29, 22880 Wedel) <https://www.schulauer-faehrhaus.de/>

Picture by Dorothee Michel

ACCOMODATION

Conference **fees are without** accommodation.

We have secured special fees at the Hotel Hafen Wedel <https://www.hotel-hafen-wedel.de/> please include the code PCNE in your booking and be sure to book directly at

the hotel, not through any booking platform. The hotel is located about 700m from the Schulauer Fährhaus, taking about 10 minutes by foot.

SOCIAL EVENT

The Social event will take place at the restaurant elbe1, just a short walk from the hotel (150m, 2 minutes by foot) and the conference venue (850m).

SIGHTSEEING and getting around in Hamburg

For public transport tickets, lines, and schedules, download the HVV app, it is possible to switch the app to English language

Tickets are cheaper when bought with the App, ticket machines are available at train stations but not on all bus lines!

Check out the prices for day tickets and / or group tickets. HVV tickets are also valid on some of the harbour ferry lines (ferry 62 to Finkenwerder is the most beautiful route).

Hamburg CARD

If you're planning to stay on for a couple of days, buying a Hamburg card with public transport

<https://www.hamburg-travel.com/booking/hamburg-card/> might be helpful.

WEATHER

February in Hamburg is usually cold and crisp, with temperatures hovering around zero degrees Celsius. The proximity to the North Sea and the venue's location on the River Elbe mean there is nearly always a breeze—and often strong winds—so it can feel considerably colder.

ELECTRICITY

Voltage 230 V, and 50Hz, plug Type C (Europe) and plug Type F (Schuko)
